## Description

### Discover Northern Portugal staying at a Rural Wine Country House

Surrounded by vineyards, since they have their own winery, this **rustic country house** offers a comfortable stay and a great location to discover the wine region of **Northern Portugal**, especially the **Miño** district. This beautiful Portuguese **manor house** went through a complete renovation and it still retains a **distinctive architectural style**, all rooms are decorated in a traditional style. It also has a winery that produces **D.O.C. Vinho Verde** like the delicious **Alvarinho** wine. Here guests can **walk through the extensive vineyards** and enjoy wine tastings.

### A Great Location to Wander along the Miño Riverside Nature Trails

While enjoying your stay in the wine country at this Portuguese country home you can explore places worth visiting such as the old part of town and tower in centre of **Melgaço** a municipality of **Viana do Castelo**, known for its unique beauty and **delicious food and wine**. It is one of the sub-regions where **Vinho Verde wine** is made and you should not leave without tasting the different varieties of this unique and delicious wine!

**Staying at Hotel Rural Quinta do Reguengo de Melgaco you will be in touch with nature and slow down to savor the local Vinho Verde wines!**
