## Description

### Royal Hospital, A Refuge for Pilgrims at the end of the 15th C.

Mixture of history, art and tradition, the dream of pilgrims and an emblem of Santiago, the `Hostal Reyes Católicos`, located in the Plaza do Obradoiro, forms a magnificent golden corner with the cathedral, imparting beauty on one of the most visited regional capitals of the world. The `Hostal`, which originated as a Royal Hospital in 1499 to give shelter to the numerous travellers making their way to Santiago, today continues to invite the traveller to enjoy a universal and fascinating city.

Considered to be the oldest hotel in the world, it is also one of the most luxurious and beautiful. It has four cloisters of immense beauty, elegant living rooms, spectacular bedrooms and a luxurious dining room which offers fish and meat dishes cooked `a la gallega`, in addition to the classical caramelized apple `filloas` (crepes) and cream.
