This was the best Christmas tour so far this year. What a great display of lights, exhibits, market stalls and orderly people. It was fantastic! It put us in the Christmas spirit and truly wishing we were there. You two were great at transmitting not only your knowledge of Spanish traditions and culture, but also of what we saw as joy and passion for your trade, your city and your incredibly beautiful province, Galicia. Of course we're biased but you do an excellent job showing Heygoers the beauty, history and customs of Galicia. All your tours are highly recommended but this one (Christmas lights in Vigo) is so much fun.... we'll enjoy it again. We've already booked it! Gracias Sean, Tiernan and Angie. Great job!

Walk into the spirit of the winter season, where every street is sparkling bright into the evening. A display of all the wonder dressed up in ever changing lights, as the streets are welcome for strolling through and into the market for many delights as Turon a nougat treat and churro with chocolate. A ferris wheel is a big highlight for everyone.
